Response Due Date: 6/12/2014

Dear Applicant:

As we discussed in our conversation, we are in the process of reviewing your Funding Year 2014 FCC Form 471 Applications for E-rate discounts. To complete our review, we need additional information, which is listed below.

**Eligibility of the Entities**

*Issue*

Based on the review of your Funding Year **2014** FCC Form 471 application **959630**, we have determined that the entity(ies) listed below that are included in your request for services appear to be Head Start facility(ies). In your state, facilities dedicated to Head Start instruction are eligible for funding. However, services for children under the age of 3 are not eligible for discounts in your state.

For further information regarding Head Start facilities, please refer to the USAC website at: <http://www.usac.org/sl/applicants/beforeyoubegin/non-traditional/default.aspx>.

Listed below are the ineligible Head Start facility(ies):

Entity
POWELL POINT CAMPUS (16065592)

*Questions*

To assist us in the review of your application, we need the following information regarding services for children under the age of 3:

- Does the facility(ies) listed above include Head Start students? ☒ Yes ☐ No
  - If **Yes**, is the Head Start facility(ies) a separate facility(ies), or part of an elementary or secondary school?
- Please provide the Head Start enrollment (student count) that is included in Block 4 of this FCC Form 471 for each facility mentioned above. 51
  - Does the enrollment count include students under the age of 3? ☒ Yes ☐ No
  - If **Yes**, provide the enrollment count of students under the age of 3. 10
- Please provide the Head Start students eligible (student count) for free and reduced lunch that are included in Block 4 of this FCC Form 471 for each facility mentioned above. 51

4. For each FRN, please provide a dollar cost allocation or percentage of total cost for the services being provided to Head Start students. All cost allocations must be based on tangible criteria and reach a realistic result.
  - a. Identify the ineligible student cost (students under the age of 3) 19.6%
  - b. Identify the eligible student cost 80.4%
5. Your response should be on a school letterhead, and be signed and dated by a chief school official (e.g. Principal, Superintendent). If responding via email, please provide the name and title of the chief school official providing the response. **David Jacobson – Chief Technology Information Officer**

Failure to provide the above information will result in a cost allocation of Head Start services for each FRN and possible denial of your funding requests.

Please be advised that the removal of Head Start students from Block 4 of your FCC Form 471 application may increase or decrease your discount percentage, which could impact your funding.

*Response Reminders*

It is important that we receive all of the information requested **within 15 calendar days** so we can complete our review of your application(s). **Failure to send all of the information requested may result in a reduction or denial of funding. If you need additional time to prepare your response, please let me know as soon as possible. If you are unable to provide the requested information because your school or library has closed for summer break, please indicate in writing the timeframe that you will be unavailable to respond.**
